

**Santa Fe School for the Arts & Sciences**  
**Afterschool Enrichment Program Descriptions**  
**2008-2009**

Our afterschool enrichment program is available to all children in Santa Fe ages 3-14.

Please use the attached Afterschool Enrichment Chart to sign up for an afterschool enrichment class activity or the Aftercare Program form for regular afterschool care.

We need a minimum number of students in each class in order for it to happen. We will inform all parents of afterschool class cancellations as early as we can.

**To simplify our afterschool program payments, we have a semester fee (usually based on \$10-\$12 class)** which covers all classes from September to the end of January and we have only one 2 sided page for everything . If the class runs longer (ie. Moving Images goes from 3:30-5:30, then the cost is \$12-\$15 per class). Please note the times of each class you are interested in as some classes start at 4:00 or 4:30.

Please let us know if you need to make alternate payment arrangements (such as monthly payments).
